

Turn Your Network Into Income

The Alpha Innovation 50/50 Revenue Sharing Model

Presented by Avi Crane
Financial Fiduciary
949-346-1459

A Simple Partnership. Pure Upside.

- ✓ *The Split Ratio: You keep 50% of the net commission generated from your referrals.*
- ✓ *The Basis: Income is realized when your introduction acquires a financial solution.*
- ✓ *Zero Cost: No overhead, no fees, and no licensing required. This is Pure Upside.*
- ✓ *The Work: The expert team handles 100% of the financial processing and carrier negotiations.*

The Mechanics of Revenue

1. Identify

Spot a financial need within your existing network.

2. Introduce

Connect them to Avi Crane; let the experts take over.

3. Income

Solution implemented -> Revenue realized.

You generate a **Net Commission** specifically from the **value of your relationships**, while **Alpha Innovation manages the complex work** with 60+ top-rated carriers.

For Undergraduates: Kickstart Professional Success.

Early Income

Don't wait for graduation. Build a professional income stream now.

Leverage Your Network

You are surrounded by a dynamic network of professors, alumni, peers, and parents.

No Barriers & Zero Risk

No special license required. No financial expertise needed. Zero cost to you—no fees to join, perfect for student budgets.

For Nurses: Monetize Trusted Relationships.

Natural Trust

You are positioned to hear about life changes—births, aging, and health crises—that require financial planning.

Maintain Relationships

Offer help without having to sell or pitch.

No Interference

Referring takes minutes. The Alpha Innovation team handles the work, so there is no interference with patient care.

For Sales Reps: Double Dip on Networking.

Enhance Accounts

Add value to your existing doctor and medical facility clients through strategic partnerships.

Efficiency

Create a secondary income stream from the same sales visit you are already making.

Growth

Collaborative ventures for mutual growth within your assigned territory.

Your Fiduciary Partner.
